

DEMON BATTLE

With everything complete, Fight Demon lights. To start the mode, player must lock a ball there, in the ghost loop, and the hellavator.

If player drains before locking those 3 balls, any locked balls are released during the ball drain, and Fight Demon re- lights for the next ball to try again,

- Color Legend -

YELLOW: The player does something, causing things to happen.

BLUE: The pinball machine does something.

GREEN: Something happens with the light inserts or RGB.

ORANGE: Something happens on the screen (video or sound)

MAGENTA: Game logic.
